

INDUSTRY INTEGRATED CERTIFICATION (IIC) PROGRAMS

Bridging Academics with Industry Excellence

About the Company

Enbott Technologies is an innovation-driven platform focused on bridging the gap between academia and industry. Through its implementation arm, **ei-labs**, Enbott enables institutions to adopt industry-integrated learning environments that prepare students for real-world careers.

Milestones

- ★ **10,000**
Learners trained every year
- ★ **200+**
Experts across domains
- ★ Partnering with top
universities & organizations

About the Program

Industry Integrated Certification (IIC) is a career-focused academic enhancement program designed to bridge the gap between classroom learning and real-world industry expectations.

This program is built in collaboration with leading technology industry partners and is delivered through **ei-labs by Enbott**, the innovation and implementation platform of Enbott, serving as the authorized partner for deploying industry-integrated learning environments within academic institutions and workplaces.

Why Choose Us

Global Content,
Local Relevance

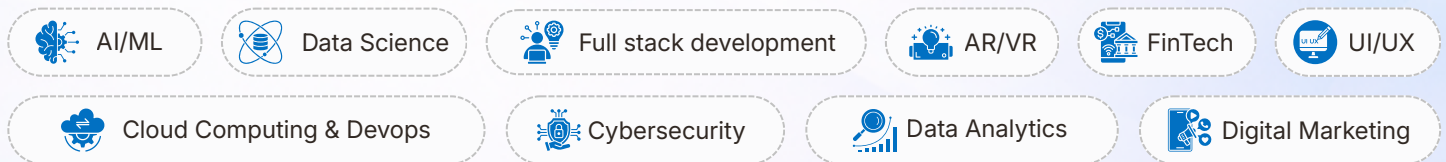

Assessment
